HAPPY BIRTHDAY!!

A HOLIDAY THOUGHT

What does Easter mean to you? To most people waiting for the Easter bunny to bring a basket full of all sorts of candy and coloring eggs for the big hunt is what the holiday is all about. To some, it means a new outfit and an annual visit to church. This is the way Americans celebrate Easter, but we should remember the true reason for this holiday.

The renewal of life during spring reminds us of the new life Christ gave us when he died on the cross for us and for our sins. After three days in his tomb, Christ rose from the dead and gave us our new life. This was the first Easter!

You can read the story of Easter in the New Testament of the Bible. This year, Easter was celebrated on April 18th. Did you consider what Easter really meant to you?

"All money these days is tainted."
"What do you mean?"
"'Taint yours and 'taint mine."

PLANNING TO BE DIFFERENT

Every school year the Prom is looked forward to by those who attend it! This, as a bicentennial year, will bring a Prom totally different than any before! The Junior Class is planning to make this Prom one to look forward to and remember. Invitations will be sent the first week of April. The 1976 Prom, for a night of sheer excitement!

YEARBOOK NEEDS YOU

Work on the 1975-76 K.S.B. yearbook is now underway! Miss Lambert and Miss Freeland are this year's sponsors and encourage all students interested in helping to contact them. Pictures need to be identified, cut, and pasted on layouts. Names, headings, and narratives must be typed!

If you have taken any pictures this academic school year, and feel that they could go into the yearbook, please notify Miss Lambert immediately! Your help is needed and appreciated.

JOURNALISM ANYONE????

Any student interested in becoming a member of the 1976-77 Journalism Class, please contact Miss Lambert. Thank you.

THE GOOD 'OLE OUTDOORS

A camping trip involving students eleven-eighteen years old will be taken May 21-23 to Trooper Island on Dale Hollow Lake.

Favorite camping activities are planned for the K.S.B. outdoorsmen and women. Get your gear intact for a camping bonanza that will be long remembered!

KEEP EM STRAIGHT

Bookkeeping is a laborious job in any school, but one that definitely needs to be performed. Peggy Smith, a native of Bardstown, Ky., has recently assumed the role of K.S.B.'s newest bookkeeper.

Before settling in Louisville, Ms. Smith was employed as a bookkeeper for a lumberyard in her hometown. We want her to know that she is welcomed by everyone and we wish her the very best.

WALK A MILE IN YOUR SHOES

Informed of the mile walk sponsored by Mrs. Swerbinsky's health class, Mayor Harvey Sloane has made available a Physical Fitness certificate to any student or teacher who completes a twenty-five mile walk in a one month period.

The Journalism Class challenges other K.S.B. students and faculty to "walk a mile in your shoes"!

MUSICIANS BRING BACK HIGH RATINGS

Four K.S.B. students received superior ratings and seven obtained excellent scores at the Kentucky Music Festival on March 19 at the University of Louisville. Debbie Broyles, David Jackson, Raymond Martin, and Doug Woodson earned the highest score of Superior. Those receiving Excellent ratings were--Andy Fannin, Ronnie Wheatley, Debbie Cheek, Virginia Madden, Tim Jones, Clyde Coulter, and Charles Mattingly.

Each musician individually performed before a judge and was rated on a scale of 1--Superior, 2--Excellent, 3--Good, and 4--Fair. Congratulations, musicians!

FORENSIC FESTIVAL

On March 4 six students gave speeches in an assembly before leaving that afternoon for the Wisconsin's Forensic Festival. Students attending were Faye Cain, Donny Stivers, Jenny Montgomery, and Billy Wright--freshmen; Jo Ann

Stewart--sophomore; and Valerie Evans--senior. Unfortunately, one member of the speech team, Debbie Broyles, was not able to go on the trip because of the flu. Jenny and Valerie redeived second place ribbons.

Plans are already being made for the Forensic Festival which will be held at K.S.B. next year. Most of this year's participants plan to speak next year.

K.S.B. TOURS FRANKFORT

Field trips take students out of the classrooms and books and introduce them to new learning situations first hand. For that reason, Mr. Howard took his two U.S. History classes and freshman Social Studies class to Frankfort on March 3 to witness the General Assembly and law-making in action. Students also toured the Old Capitol and Annex buildings. It was an interesting experience and everyone seemed to enjoy themselves.

JOURNALISM CLASS CALLS ON COURIER

Miss Lambert's Journalism Class visited the Courier Journal and Louisville Times' Newspaper office on March 11. The class toured many areas of the building and discovered various techniques involved in the publishing of a large newspaper. As a result of this trip, the class realized that if a career in journalism is desired, a tremendous amount of work is in store for them!

SPRING VACATION

Spring vacation began on April 9, and classes resumed the day after Easter--April 19. Everyone enjoyed the rest and the time spent with their families.

There are 30 days left in the school year! (counting from the 19th of April.)

SENIOR SPOTLIGHT

Miss Theresa Ridner--a seventeen year old senior--has attended K.S.B. for five years. She, being a very athletic person, has participated in track for three years, on the cheerleading squad -four, and swimming -one-half year.

After graduating, she plans to remain in Louisville to live. When settled down, Theresa plans to start training for a job. Good luck!

SWIMMERS STROKE TO WIN!

This year splashed off with a swim meet held on Feb. 28 between the Tennessee Dolphins and the KY. Wildcats. The Dolphins had a victory win over the Wildcats with a final score of Tenn.--133 and KY.--39.

Held in Indiana on March 13, was a four-way meet with the Tennessee Dolphins, KY. Wildcats, Wisconsin Badgers and Indiana Rockets. The final scores were: Tenn.-96, Indiana--29 1/2, KY.--28 1/2, and Wisconsin--12.

Victory came in the third swim meet as the wildcats stroked over the Indiana Rockets with a very close score of Kentucky--96 and Indiana--90.

KEEP IT UP, WILDCATS!

RIDDLES

Lives in winter
Dies in summer,
And grows with its roots upward!
What is it?

(an icicle)

Little Nancy Etticoat
In a white petticoat,
And a red nose.
The longer she stands,
The shorter she grows.

(a candle)

Thirty horses
On a red hill;
Now they tramp,
Now they champ,
Now they stand still.

(The teeth and gums)

I know that
You believe you
Understand what
You think I said,
But
I am not sure
You realize that
What you heard
Is not
What I meant.

Look not for beauty
Nor whiteness of skin,
But look for the heart
That is loyal within.

Beauty may fade and skin grow old
But the heart that is loyal,
Will never grow cold.
